January 2012

President's Address, By: James J. Kelly

I hope that everyone had an enjoyable holiday season.

We had our annual awards dinner in December at Patriot Hills Golf Course, I want to thank Nick Rendina and the awards committee for once again donating their time in recognizing the great work that our members do day in and day out. Also a special thanks to our secretary, Julie who puts all the awards together. Last but not least, congratulations to all of the award recipients!!!! Great job to all.

Our January meeting is set for January 31, 2012 at 7:30pm, at Bailey's Smokehouse on Erie St, Blauvelt. Once again we will be organizing our committees, which are the by-law, fundraising, scholarship, golf, awards dinner and COPE committees. If you are interested in any of these committees, but are unable to attend the meeting, please call the office to have your name added. At conclusion of the regular meeting, we will have our quarterly meeting of the welfare fund. Bill Burns of Smith Barney will give a review of last year's investment portfolio and will be on hand to answer any questions regarding the fund or other financial questions.

As of this month we are posting our newsletters on our website, www.rcpba.org we are asking again to provide us with your email address so we can have a secure site to log into.

We are starting early this year for the annual Widows and Orphans Boat Trip to NYC, its going to be held on June 23, 2012. We will be taking a tour of the 9/11 site this year. Please contact Cyril Kerr or Phil Fantasia for further details.

As we welcome in the New Year of 2012, I want to wish the best for our members and their families.

BE SAFE AND WEAR YOUR VESTS!!!!!!!!!!!!!!!!!!!!!!!!!!!!
